A Note for Grown-Ups

For parents, catechists, and teachers

Welcome

This booklet brings together 40 games to help children ages 4 to 12 discover the Catholic faith through play: word searches, crosswords, memory games, mazes, coded messages, puzzles, quizzes, and bingo. The themes follow the Bible, the sacraments, the saints, prayer, and the liturgical year.

Printing

Print the pages on Letter paper (8.5 × 11 in), in color or in black and white: every game works in black and white. For the memory games, the puzzles, and the bingo, print on card stock, or glue the sheet onto thin cardboard before cutting.

Choosing a Game

Each game shows a suggested age in the yellow tag. It is only a guide: a younger child can play with the help of a grown-up, and an older child can use the game to review.

Playing as a Group

In religious education class or at school, the memory games, the bingo, and the quizzes are great for playing together. After the game, take a few minutes to talk about the theme with the children: that is often when the best questions come up.

The Answer Key

The answers to the word searches, crosswords, mazes, coded messages, and quizzes are at the end of the booklet, starting on page 43.
